

Revival for Australia

God said - **PETROL** then **HURRICANE**

THE FIRE WILL BE UNLEASHED.

It is a petrol hurricane: it is a petrol bomb within a hurricane. So the force of a hurricane and a petrol bomb put together in one. Such a force that brings and explodes the fire of God onto and into Australia

I saw it land at the North of the East Coast to the Whole East Coast then to the west.
It will burn through all denominations.

And then the Christians will rise as one Man, One Large Man.

They will move to the Nations and the Supernatural will happen in abundance.
(Miracles, signs and wonders – Isaiah 60:1)

Above this Petrol Hurricane there is the Rainbow (the Seven Spirits of God) and it is around the Father shining over Australia.

A Golden Glory Light is shining out of the Father.

- It is the Father heart of God
- His love and compassion for the Nations

His wrath and His love are moving together. For He neither gives or shares His Glory with graven images. (Isaiah 42:8)
