

THE COMING VOLCANIC ERUPTION IN THE HOUSE OF GOD

The volcanic eruption that is coming to My house, and around the world.

It will erupt in My houses.
And it will run into the streets with a cleansing effect.

- I see the lava bubbling up.
- I see in the crater as the lava starts to come out.

God said:

Nothing can stand before Me!!!

All the evil, all the sin will burn up.

I will cleanse My house by fire!

Demons will be screaming and fleeing and their sickness and afflictions will go.

I will prepare My highway of holiness (Isaiah 35).

Yes in a short time, in a short visitation.

It will come before I pour out My Glory!

It will be short but very effective.

- Days of Repentance, Strong Repentance are coming.
- People convicted of sin; screaming out for Grace in the church.
- Awareness of sin, lukewarmness and worldliness.

This to in order for Me to have mercy on the church. This is so it can stand and be prepared for the days ahead.
