

The coming move of God in the Roman Catholic Church

I saw the Vatican in Rome and the Roman Catholic Church worldwide. God wants us to interceded for them that the truth will set them free. For God has a plan with the members of the Roman Catholic Church.

THE LORD SAID:

He had purposed that the Roman Catholic Church should be on the earth until this time.

Now was the time was coming for it to bear much fruit.

He is coming into the church with the fire of burning, purging and cleansing.

Many will come to the Faith in Jesus Christ: **THAT HE IS THE WAY, THE TRUTH AND THE LIFE.**

God will call many unto Himself for Ministry.

These Faithful people will be called, set free, changed into the image of Jesus Christ and stop following the Black Madonna.

They will grow in their faith and when the time of persecution comes against them, the ones who do not worship the Black Madonna but worship Me, the Risen Saviour, Ruler and King of kings will leave and establish house churches and minister unto the market places and see thousand upon thousands saved.

They will become a Fire of Glory in the nations of this world until Jesus Christ comes back as Lord of lords and King of kings.

Stay faithful, Amen.
