

False Madonna Worship

There is a true heaven and a false heaven.

On the road to the true heaven is a split that leads to the false heaven. If you do not stay on the narrow road to the true heaven you will find yourself on the broad split going towards the false heaven.

In the false heaven is a false worship. This worship is worship of the devil in the guise of a gloriously beautiful lady, the Black Madonna.

I saw this lady – in her glory as the sun.
As a beautiful lady being worshipped
She had a crown of suns on her head.
And yes, as an angel of light being worshipped.
an awesome angel of light in her glory.

It is one of the four faces of Lucifer.

And the Crone can come as a

- Maiden
- Woman
- Old lady

Mary worshippers were worshipping her with sweet worship which brought forth creative flowers and they are given to her.
They are given to her by the children. For even children are taught to worship her.

The Mary worshippers are playing on harps for her. It is all very sweet and it looks very harmonious.....

BUT IT IS DECEIVING

When she is unhappy, unrest comes, there is fear on the faces.

And a child is sacrificed to her on an altar.
They kill the child in a ritual way.
But it is all done in secret.

For it is done on earth as it is in the false heaven.
This is the **true nature of the New Age god.**

For the Devil, Lucifer came

- to steal
- to destroy and murder
- as a wolf in sheep's clothing

And he wants worship - **FALSE WORSHIP**
