

Prophetic watchmen word for.....
Convocation 20-24 July 2006
Sydney opera house, Australia

(What God wants to do)

1. The Lord wants to deal with the rainbow serpent through white mans sins of shedding blood of aboriginals.
2. And dealing with the antichrist spirit which gained entry through the convict slavery of England through the sin of Great Britain.

1. As the first thing will be dealt with, the glory of the Lord of the rose of Sharon, Isaiah 35 will be released over Australia.
2. The father heart of God through the spirit of the Lord will be released in a new way over Australia with signs and miracles following.
Yes a fire of love of the Father's heart will be released to heal the broken hearted

History didn't happen as the Australian history books tell us.
Illuminati is the one that has written most of Australian history behind the scenes.

The Greek gods and the gate of Greece is one of the big powers of illuminati and that spirit has shaped much of Australian history.
Babylon is the main power connected with the Gnostics of Greece.
And it is even in the letters of John.

This sin and these strongholds need to be broken over Sydney, which is a gateway to the whole of Australia.
The hydra snake of Greece is one of the main spirits working in freemasonry and is a spirit of divination out of the eye of horus which is the bull's eye (Baal).

I have given you some information it is up to you to use it.
The Holy Spirit will lead how far he wants thing to be dealt with.

As high as the praise and worship will go, that's how high the breakthrough will go. For Zion is the place of praise and worship (Tabernacle of David).
