**Isaiah 35:6** >then the living waters will come forth  
>where the darkness was (dragons)

**Psalm 47** >this = my inheritance!

To bring to the nations **the: living water and glory to nations!**

Vision!

**Our inheritance!**

### 1- Living fountain!

I saw a fountain > and it was a water displaying fountain

- At times: the water was going high!

And the angel of healing was there!

- Then: music started (worship)

- And light with all colors came through the water in the fountain

### 2- Healing waters!

- I saw people on stretchers being brought there.

They started to drink and get well

- I saw weak people come and drink and get strong again.

- They became warriors!

- Ready to go and start a camp in other places  
to take land for the king.

### 3- Open heaven!

- There became; an open heaven above the place  
The longer it went on; more and more angels were ascending and descending They bring; revelation's to the people: what to do; how to pray; move; build ect.  
This raises the faith level!

### 4- Father of glory

- People come to eat; and drink at the well.
- Then the water that was spurting up became > yellow; as gold = the father of glories realm
- fathers heart comes through it.

The spa started!

>The bubbles went on: the water became nice and warm. This was for healing: in the fathers heart and glory.

>people can come into the water and come into the: healing love and stream's of the father heart of God.

~ come and teach the people how to eat and drink from God's heart and love

### 5- Fear of the lord

The I saw the earth getting dark  
Then God's lightning came (psalm 18)  
Yes the fear of the lord came  
And things were shaking on the earth.  
This is when: we go preaching to places and God; brings the fear of the Lord back on the earth  
And many are going to get saved!
