

The Father of Glory Kingdom Ministries

A prophecy received 29th April 2005

VOLCANO FIRE!

A great volcanic eruption is coming to My houses, to the Nations. It will erupt in My houses and it will run into the streets and will have a cleansing effect.

I see the lava bubbling up. I see in to the crater – as the lava starts to come out.

God says:

- Nothing can stand before Him.
- All the evil; all the sin will burn up.
- I will cleanse My houses by fire! Demons will be screaming and fleeing and the sicknesses and afflictions will go.
- I will prepare My highway of holiness. (Isaiah 35)
- Yes – In a short time: In a short visitation.

It will come before I pour out My glory!

It will be short but very effective!

Day's of repentance, strong repentance, is coming.

People convicted of sin, screaming out for grace in the church.

Awareness of sin, an awareness of lukewarmness and conviction of worldliness.

This will happen so that in the days ahead, mercy can come to the church and God can move to empower the Church.
